A number of bills for the removal of the hall were paid. After that complaint.

THE BEST SOCIETY.

Brilliant and Eloquent Lecture on Thunday Evening by Rev. Washing-

the + igh School Library-A Large and Delighted Audience Hears the Discourse.

Whenever Dr. Washington Gladden talks he says that which is worth hearing and ring. Last evening was no extion to his gems of thought. His text was "The Best Society." Dr. Gladden was introduced by Superintendent Taylor, of the public schools, and said:

Man is a social animal. The buffalo gathers in herds and the pigeon in flocks. In barbarism man in his lower development strosity for a man to live apart as to be born It is said that men live together for self-ish reasons. But I do not believe it. The

day meal and dises by the road-side with him, find a pleasure which they would have similar to the inter-state commerce law; lost had they eaten alone. No animal is indorsing the provisions of the Albaugh bill changing the management of country schools from district directors to township how much more so is it in more refined mat-

of religion and so on. In every community there are those who call themselves the clite, and think themselves the best society. This may be exclaimed at by many who rathered therein. They were married at now do no work, but whose ancestors were butchers and bakers. By working people I do not only mean the manual laborer. The working people of this best society are people who work with their hands and black Prince Albert suit. Miss Clara J. their mind, with pick or ax or with pen, Ogiesby was bridesmaid, and Mr. F. D. with brush of bristies or brush of camel's Hale best man. The wedding party prehair. And when I say man I mean women sented a lovely picture in the brilliantly too. Society is under the dominion of lighted parior. The presents were many women. Men are responsible for business and valuable. A most delicious repast was and politics but women are largely respon-sible for society, and the best women are the working women. Perfection is not at-

some. It is said to spoil beauty. Women couple will immediately to housekeeping at are designed for ornament, not use. In the corner of Yellow Springs and North barbarism woman is a drudge; in New York streets. fashionable society a toy; in the best society Among the guests from abroad were: she is the intellectual equal and working Miss Mollie Harris of X-mia, Mr. and Mrs.

William Mumma, Charged With the Awful Crime of Incest, Put

His Little Daughter, the Victim, Tells Straightforward story - Mumma Flatly Denies the Allegation-Physicians Find Nothing Wrong.

The lobby of the police court was crowded

resterday (Thursday) afternoon, as it was known that the preliminary hearing of William Mumms, who is charged with havdaughter, would be held, and the morbid desire to hear all the disgusting details attracted the crowd. The room was as hot as a furnace and decidedly odoriferous, and as a furnace and decidedly odoriferous, and scanlan had sung two verses of the eve the time when the police court will be held in the well lighted, well ventilated room in off the stage amid uproarious applause the new city building will be joyfully welfact made no reference to them, but the them to spend a part of their time in that

which he wore on the day of his arrest,

gave her evidence in a straightforward man-ner, but spoke in a low tone.

The Victim's Statement.

My name is Martha Mumma, and I'll be 14 years old next February. My father is the defendant, William Mumma. He criminally assaulted me three times, the first into my room about daylight one morning circles. There were about thirty couples present. The ceremony was performed by Rev. O. P. Ross, of Urbana. The house and grounds were brilliantly lighted to corford Scarborough's, where she had been

Mrs. Fox-Martha came to my house tained without work, and the society which is not true dover by those who do not work no pains to make the fi ir a grand such is not the best. This is disputed by cess, and they succeeded. The happy some. It is said to spoil beauty. Women couple will immediately to housekeeping at seemed very despondent. My husband told done. She was sitting by the fire and seemed very despondent. My husband told me that he had heard that Mumma had assaulted the girl, and I asked her if it was true and she said it was. I was not acquainted with Martha until this fall. I have lived in this county for six years, a part of that time being spent in Springfield. Nobody was present when Martha told me how her father had treated her. My husband first told me of the matter, but he didn't say where he had heard of it. I

have no means of knowing whether the girl is enciente or not.

James Hatheld—Mr. Mumma lives in

wars old. For fifteen years I've lived ative, the finest thing of the kind ever given where I now live. I provide for my family in this city. * The merit of the perby working by the day. My oldest child formance far excelled that of the other two pretentions organizations recently seen in dren. Martha is nearly 14. She has gon-to school a good deal. I don't remember when my wife was at Scarborough's 1 never took indecent liberties with her. 1 had some trouble with her about two weeks ago, when she said she

AUDACIOUS ROBBERY. Three Slick Thieves Rob the Safe of Hum A hold and successful robbery was ac complished by three slick people at Hum phreys & Raymond's stove and tinware in physical developments, the society ex-tends a cordial invitation to the parents of per time last (Thursday) evening. Mr William H. Raymond was alone in the store at the time, Mr. Humphreys having

gone to supper. The plan of operation was not a new one The three men came into the store, all at ome article or other in a hurry, as he had was a real woman who had been standing no time to spare. Mr. Raymond waited on evangelist, will preach in Temperance hall, one of them up in front, a second stood in about the middle of the store and a third 7:30 this evening, upon "The New Heart." got in his work on the safe, which was un-There will likely be a large and ence to locked. He carried off the drawer bodily and the three men made their escape. Mr. Raymond discovered the robbery within

The drawer contained about \$75 in cash, a check for \$45 and about \$105 in notes This afternoon the drawer was discovered in the yard of the First Presbyterian church into W. H. Schaus's queensware store on south Market street, and notice the activity where the thieves had thrown it. It still contained the notes, but the cash was missing. Payment on the check has been stopped. Mr. Raymond is unable to accurately describe the thieves.

SCANLAN AND GOODWIN.

The Great Comedians Will be Here Next

Black's opera house next Monday evening in Fred Mars'e i's charming conception "The Irish Minstrel." It is not necessar to recite what Scanlan can door tell how he was won his phenomenal popularity. The people know these things, they like Scanan and they will go to see him because he entertains them in a manner that is equale by no other actor. Scanlan's immense pop ularity with the people is well illustrate by an incident that occured in Detroit la

They were evidently waiting for a

nused around the certain of a box and nused their outstretched arms with two huge floral designs which completely hid then from the view of the audience. One of these designs was a willow cradle piled high with magnificer, flowers in which was and throughout the examination he was apparently unconcerned as to the result of the proceedings. Hon, George C. Rawlins, as his attorney, carefully looked after his interests, while Prosecutor Rightmyer appeared for the state.

The first witness called was the alleged victim of Mumma, his 13-year-old daughter, Martha. She is a quiet, modest-looking child, really very pretty of face and figure, and had a long hooded cloak of some dark cloth thrown over her other attire. She gave her evidence in a straightforward manner, but spoke in a low tone.

Seats for the performance tained at C. H. Pierce & Co.'s. NAT C. GOODWIN.

Of all American comedians Nat C. Goodwin stands in the front rank, and is this wherever he appears, and his ability as a comedian is testified to by the public and the press everywhere. Next Monday night he will appear at the Grand in the one-act farce. "Lend Me Five Shillings," and as Carraway Bones in the sparkling consedy. "Turned Up." The Philadelphia Press

Carraway Bones, but the fun is created me, and I told them it was. I have been at leavy work of the piece, and does it splendidly. His is the most arduous part in the comedy, and the earnestness and Brubaker what my father had done. My father never boxed my ears for saving that I was coming to town to live, and I didn't have any trouble with him about and the eye-glass and dry cackle laugh, has an analysis of the special saving the son, does the leavy work of the piece, and does it splendidly. His is the most arduous part in the comedy, and the earnestness and naturalness with which he carries it is deserving of praise. Charlie Coote, he of the eye-glass and dry cackle laugh, has an analysis of the comedy, and the special splendid to the piece, and does it splendid to the comedy, and the earnestness and naturalness with which he carries it is deserving of praise. the eye-glass and dry cackle laugh, has an excellent part as a dude athlete. He makes friends with the audience in the first scene by picking Bones up bodily and chucking him in the river. His acting throughout was admirable. Miss Mand Haslam as sabina Medway and Miss Lelia Farrell as tharacters were well taken. Mr. Goodwin was called before the curtain three times at the end of the second act. "The one-act comedy of 'Lend Me Five Shillings' opened the programme and was apitally presented. Mr. Goodwin finds such characters as Mr. Golightly easily

within his reach, and should feel enco sged to play them oftener." Secure your seats now at Harris's. Next Tuesday evening, December 20th
